

### Pre-Authorized Payment Agreement of "Ontario Muslim Association (OMA)"

I grant permission to the Ontario Muslim Association (OMA) to automatically withdraw a maximum of CA\$25 X \_ \_ (no of member) = \_ \_ \_ (total amount) from my bank account upon the death of a member. These occasional withdrawals will collectively fund the funeral service for a member. For instance, if there are 1000 members and the funeral service costs \$7000, every member would need to contribute \$7 via automatic withdrawal to cover the expense. If you have registered 5 members for the Cost Sharing Funeral Service (CSFS), including yourself, then OMA will debit \$7 multiplied by 5 = \$35 from your bank account. The maximum number of times we will perform automatic withdrawals in a year is 15. Should we need to withdraw more than 15 times, we will request approval from the members.
